

Golden Gate Animal Clinic Financial Policy

The reality that monetary considerations are an integral component of veterinary medicine makes it necessary to discuss with you, our clients, the financial policies we have put in place.

We strive to provide the best medical and surgical care that we can for your pets. That means hiring quality employees, providing for continuing education to keep on top of veterinary advances, and purchasing necessary equipment and medications. This high standard of care can be costly, so we offer the following as our financial policy:

- **All procedures must be paid, in full, at the time that the services are rendered.**
- Payment Methods Include: Cash, Visa, Bank Debit Cards, MasterCard, Discover and *Care Credit. We do not accept Personal Checks, Business Checks or American Express. Payment plans are not available.
- A deposit of \$150.00-\$250.00 is required for all “drop-off” treatment with the exception of scheduled surgeries.
